Manage Your Commercial Auto Insurance Expense

The cost of auto insurance can be managed just like materials and labor. To give yourself every advantage in this ever-changing market there are some things you can do to help manage your expenses. As a business owner, you can reduce the cost of operating a vehicle but also saving money on future insurance cost by completing the quick self-help checklist below.

If you can score yourself 50% or above, you are on the right track. If you score yourself below 50% you may want to consider changing your policies and procedures to give yourself every advantage.

Vehicle Use Policy Signed by Each Driver	10	
Cell Phone Use Restrictions While Driving	10	
Hands Free Cell Phone Use Allowed	-20	
Quarterly Auto Safety Meeting	10	
Annual Driver Motor Vehicle Record Check	10	
DOT Licenses and Medical Cards Tracked	10	
Documented DOT Pre-Trip Inspections	10	
DOT Inspection Score Above National Average *	-10	
Employees Driving Personal Vehicles On Your Behalf	-10	
Telematic Vehicle Monitoring	20	
Verifying Policy Compliance	10	
Auto Loss Ratio Below 40%	10	
	Total:	

Score Guide	
0-50	Below industry average – Consider Improving policies
51-70	At or slightly above industry standards – consider implementing minor improvements
71-100	Above industry standards/best in class fleet management controls
